# Teen Quotes

I go to school to get education. I'm going to college to get more education because education is the key and keys unlock the doors to my future.  
*-Saliah Smith*

I think the Teen Center is amazing. We have so many opportunities here which makes us different. I really look forward to going on field trips. I just think it's AMAZING!  
*-Jaidyn Duck*

I like the Teen Center. It's one of the best things that has happened since I've been here. I also like the new teacher. I think she's very fun and nice. She's like my other school mom.  
*-Jordan Geathers*

## PLEASANT VALLEY CONNECTION COMMUNITY CENTER

The mission of Pleasant Valley Connection (PVC) Community Center is to connect community residents, families, churches, businesses, and other organizations in a coordinated effort to improve the education, health, well-being and community involvement of Greater Pleasant Valley residents and surrounding communities. The Pleasant Valley Connection Teen Center, one of our focal programs, is committed to the development of young people. We provide life skills, character development, opportunities, social interaction, support, encouragement and much, much more. Give us a call today so that we can share just a little bit more about our programs and how we can help shape your teen into the best person they can be.

The mission of 4-H is to provide kids with a sense of community, mentors, and various learning opportunities to develop the skills they need to create positive change in their lives and communities. 4-H is

delivered by Cooperative Extension—a community of more than 100 public universities across the nation that provide experiences where young people learn by doing. Clemson

University is the extension college for the state of South Carolina. For more than 100 years, 4-H has welcomed young people of all beliefs and backgrounds, giving kids a voice to express who they are and how they make their lives and communities better. Through life-changing 4-H programs, nearly six million kids and teens have taken on critical societal issues, such as addressing community health inequities, engaging in civil discourse and advocating for equity and inclusion for all.

## GOODGUIDES YOUTH MENTORING PROGRAM

Goodwill GoodGuides is an Office of Juvenile Justice and Delinquency Prevention (OJJDP) grant funded mentoring program in Greenville County. The goal of the program is to focus on Positive Relationships, Goal Setting and College and Career readiness and mentorship. Peer mentoring is a way to match a young person to another young person who is goal driven, demonstrates good behavior and is willing to help a peer. As a partner, Goodwill GoodGuides's staff will serve as a resource to the youth through supporting and or funding youth friendly activities, guest speakers and possible outings (COVID precautions as recommended by the CDC will be followed). Goodwill GoodGuides is a great opportunity to increase comradery and team building while promoting college and career focused thinking.
